A Message from the Sun City Foundation

The Sun City Foundation – Santa for Seniors

Thanksgiving is over and another highly successful Fall Arts & Crafts Festival has just finished. Kudos to all the artisans that we have among us for the stunning array of items on display. We want to express our sincere appreciation to the many RCSC Clubs for the support provided for the Foundation this past year to help us achieve new milestones.

In November, we started promoting our annual “**Santa for Seniors**” program. If you’re not familiar, Members will find trees decorated at various recreation centers adorned with holiday cards. Choose one (or more), purchase \$25 gift cards that may be turned in at the Corporate Office at Lakeview Center or return to the center desk where you picked up your holiday card(s). Foundation Board members personally visit residents - during the week before Christmas - and distribute the gifts to individuals we supported during the past year. **The deadline to participate is Friday, December 12, 2025.**

Thanks to Sun City Foundation (SCF) Vice-President, Steve Collins, and the Bell Metal Club, a new feature has been added this year for this fundraiser. Look for the large, colorful metal sign that you will find at various recreation centers with the Santa for Seniors cards. This sign is unique in its design, so you will begin to see it throughout the year as a “**Seniors Helping Seniors**” initiative. We’re trying to find ways to help our most vulnerable residents throughout the year. We think Steve had a great idea with the new concept!

AED Training Video

Be prepared - you could help save a life! Watch our quick Automated External Defibrillator (AED) training video to learn how to use both models currently in use at RCSC facilities - Zoll and AVIVE - so you will be ready if an emergency happens. While all units will eventually be converted to AVIVE, you may still encounter both models until the changeover is complete.

Sun City Senior Softball Club

Love the game? Come out and play! New to the game? Come out and learn to play! We have lots of fun at the **Sun City Senior Softball Club**. Love to watch but don't want to play? Come out and enjoy watching the teams play! You can sign up to keep score, umpire, or announce the games.

You can also participate by volunteering with "Angels in the Outfield." The Angels coordinate food and toy drives for the surrounding communities on behalf of Sun City Senior Softball (SCSS) Club, while sharing and caring about the softball community.

Come out for the "Green Team," where you can show off your ability to throw, catch, hit the ball and run to 1st base. A review of your skills will help place you in the best league for you to enjoy safe, competitive play with your peers.

We come together for various social events off the field, such as the Sun Bowl Concerts, sitting together in the upper, southwest corner of the grass (across from the softball clubhouse). We are a "FUN" Club that brings everyone together like a family!

Please visit the newly renovated Clubhouse located at 10220 N 107th Avenue, behind the Sun Bowl Amphitheater. Look for our signs along 107th Avenue on game days! **Check out our website**

<https://www.suncitysb.org/home> for schedules of play and new player information.

Our members truly enjoy this aspect of our club.

Guests (non-Sun City residents) must be accompanied by a club member host, and the host must remain with the guest during all activities. Guests must pay a \$2.50 fee or have a hole punched in the host's punch card. Visitors (non-members with a current RCSC Member card) are expected to join the club on their third visit.

Sun City Tai Chi Club

The **Sun City Tai Chi Club** offers Tai Chi, balance classes, as well as QiGong. What do these classes do and how do they benefit your whole body? **Tai Chi is "Meditation in motion." This ancient martial art consists of performing a series of postures in a slow graceful manner, with each movement flowing into the next without pause.**

QiGong is a Chinese system of physical exercises and breathing control. Postures and movements are designed to strengthen, stretch, and tone the body.

Balance classes teach ways to improve your stability. With these classes, you will see improved balance, flexibility, coordination, blood pressure, mobility, along with feeling less stress. Ultimately, our classes provide an opportunity to meet new people, while improving your body's overall health.

Dues are \$10 per calendar year plus \$4 per class for RCSC Members. Escorted guests (non-RCSC members) pay \$6.50 per class. **Classes on Tuesdays are held at Lakeview Center and classes on Thursdays are at Bell Center. For more information, visit our website at <https://sctaichi.wixsite.com/sc-tai-chi-club> or email: taichiclubaz1@gmail.com.**

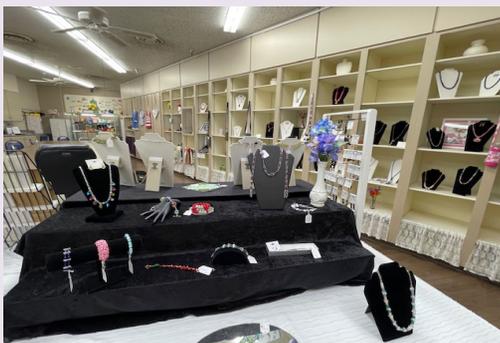

Bell Crafts Club

The **Bell Crafts Club** opened its doors over 50 years ago. We offer a variety of classes taught by our talented members. If you enjoy making crafts and socializing, come join us and make the craft of your choice in any class or open workshop.

We have classes for bead weaving, Brazilian embroidery, card embroidery, crocheting and knitting, diamond dot painting, greeting card techniques, copper enameling, needle arts, parchment crafting, polymer clay, quilling, and acrylic painting. In addition, we have open workshops for other crafts.

The club's boutique is open to the public, and we sell handcrafted items made by our members. We also have two groups that use donated yarn to make lap robes and Afghan throws for our local veterans.

Our crochet and knitting groups make a variety of items including stuffed animals, sweaters, scarves, and baby blankets and donate them to Eve's Place. In February, our knitting and crocheting members donate red baby hats to the American Heart Association for preemie babies.

The Bell Crafts Club is open Monday through Friday from 9:00 am to 3:00 pm and some evenings. **For more information call 623-974-3497 or stop by and visit us at the Bell Center located at 99th Ave and Hutton, across from the Sun City Library.**

Sun City Tennis Club

Get out and play! The **Sun City Tennis Club** would like to invite you to join our club and start benefiting from the positive effects that tennis contributes to the quality of your life.

Tennis is a life-long game, which is unique in the world of sports. People can enjoy playing from childhood well into their seventh and eighth decades of life and beyond.

An article in the New York Times stated that "tennis was named as being one of the leading sports to keep us active and healthy, both physically and mentally, throughout the years."

Exercise is the best medicine out there for cardiovascular health, and what better way to exercise than to have fun doing it while playing tennis! If playing tennis become a habit - and with commitment - tennis can lower and help control blood pressure, blood sugar, and cholesterol.

In addition, meeting friends, teammates, and others at the Sun City courts has many positive impacts on our health and well-being. Tennis builds social relationships, which reinforces our health and overall quality of life.

Come find out for yourself and see how much fun you'll have! **Details can be found on the Sun City Tennis Club website at: suncitytennisclub.com or suncitytennisclub@gmail.com.**

All you need is energy, agility, rhythm – and have the ability to count to eight and memorize routines!

Catch us in upcoming parades: Litchfield, Fiesta Bowl, and Wick-enburg. Or at Sun City Players Theater in January.

Have questions? We'd love to hear from you! Reach us at
